

Help your members say good-bye to stacks of paper bills

And hello to convenience with epost™, now available in *MemberDirect*® Online Banking

MemberDirect Services has created a seamless way for your members to receive and view their bills online using epost, Canada Post's free electronic bill presentment service. epost is now integrated into *MemberDirect* Online Banking, and offers a safe and secure place for your members to receive, view and store their bills online.

Over 200 bills and other documents, such as statements and payroll stubs, are available. Members have access to their bills anytime, anywhere, and can store them for up to 7 years. And the service offers convenient bill payment reminders so your members never have to worry about forgetting to pay a bill. Best of all, it's integrated directly into *MemberDirect* Services, so with the click of the mouse, members can easily pay their bills online.

Get epost today: To add epost to your *MemberDirect* online banking service, contact us at client_support@memberdirect.ca or call 604.742.5252. To learn more about the epost services and to view a list of available mailers, go to www.epost.ca.

Features and Benefits

Integrated with *MemberDirect* Online Banking: Members can register for the epost service directly through *MemberDirect* Services. Once registered, they have access to all their epost mail.

Simplifies Bill Payments: The payee and payment amount is automatically filled out on the *MemberDirect* bill payment screen when your member clicks the "Pay" button.

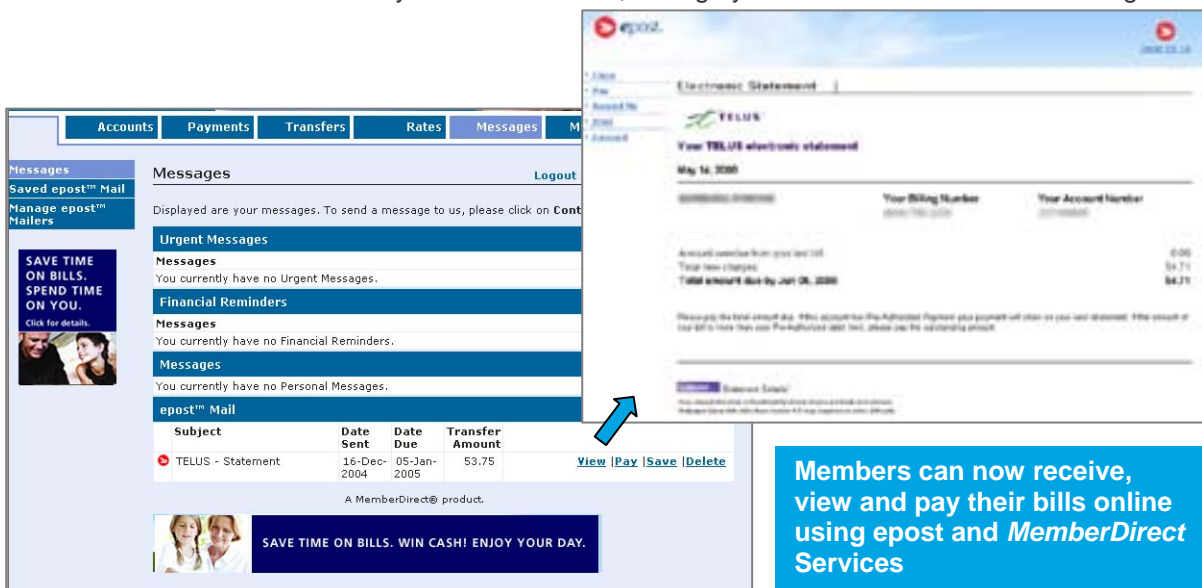

Online Notification: Your member is notified in *MemberDirect* Service and via email when a document is delivered to their mailbox.

Online Storage: Members can store their mail items for up to 7 years.

Environmentally Friendly: No more paper bills.

Private and Secure: Any information submitted to epost is completely private. And the Electronic Postmark lets you know when mail enters the service and verifies that it hasn't been tampered with. Using a highly sophisticated 128-bit encryption technology, epost is dedicated to maintaining members' privacy and security.

Convenient: The service is easily accessible online, through your *MemberDirect* online banking site.

The screenshot shows the MemberDirect online banking interface. On the left, there's a navigation menu with options like 'Accounts', 'Payments', 'Transfers', 'Rates', 'Messages', and 'M'. Below this, there's a 'Messages' section with sub-sections for 'Urgent Messages', 'Financial Reminders', and 'Personal Messages', all indicating 'no messages'. There's also an 'epost™ Mail' section with a table of messages.

| Subject | Date Sent | Date Due | Transfer Amount | |
|-------------------|-------------|-------------|-----------------|--|
| TELUS - Statement | 16-Dec-2004 | 05-Jan-2005 | 53.75 | View Pay Save Delete |

On the right, there's a preview of a 'TELUS Electronic Statement' for May 16, 2005. It shows account details, a billing number, and a total amount due of \$4.71 by July 26, 2005. A blue arrow points from the 'View' link in the table to the statement preview.

Members can now receive, view and pay their bills online using epost and *MemberDirect* Services
